

Good Fellowship and Enthusiasm Mark Supper of Narberth Bank

Genial good fellowship and a spirit of enthusiasm for the progress shown by the Narberth National Bank marked the dinner held Tuesday night at Elm Hall. James K. Stone, one of the organizers of the bank, and a member of Board of Directors, was host to the stockholders, staff and friends of the new institution. Nearly 50 were in attendance.

Carl B. Metzger president of the bank, presided as toastmaster. There was no formal program and no set speeches were made. Mr. Metzger pointed with pride to the fact that the deposits have increased \$100,000 over the figures in existence at the dinner a year ago. He expressed hope that this substantial but conservative growth would continue.

"We have added more than one new depositor a day during the past year," he said, "and to the stockholders who came forward in civic spirit and made the bank possible, I can announce that we came out a little better than even—an unusual story for so young a bank."

Retiring Senator Fletcher W. Stites called attention to the distinctly community character of the local institution. "Few bank depositors," he said, "are stockholders in the bank in which they place their funds. Here in Narberth, many of the patrons are either stockholders or friends of stockholders. This makes the bank a truly community proposition."

Brief talks were made by the host, James K. Stone; by William C. Alexander, a director, and by Donald Spencer Edmonds, one of the organizers of the new Trust Company being formed in Ardmore. Many words of praise were said for the efficient leadership of Mr. Metzger.

With the telling of his favorite baseball story, Mr. Stites brought the affair to a pleasant close.

SCOUTS HOLD FIRST MEETING OF YEAR

New Patrol Leaders Announced for Four Divisions.

The Boy Scouts held their first meeting of the new year in The Cabin on January 7, with Scoutmaster Benjamin J. Cook in charge. John Wilson was appointed Assistant Scoutmaster. Thirty boys entered their names on the register, following which they were divided into four patrols. The patrol leaders and their assistants, elected by the boys, are:

"Flying Eagle" patrol, in charge of Albert Lambert, with Vestus Spindler as assistant.

"Silver Fox" patrol, in charge of Howard Wilson, and Fred Van Aiken assistant.

"Beaver" patrol, headed by William Harris, assisted by Howard Whitney.

Jay "Reds" Thomas volunteered to lead the "rookies," of which there are ten. Their patrol was named "Engle."

Scoutmaster Cook announced that a beautiful silver cup would be awarded at the end of the year to the patrol having the best average in points on Scoutcraft, health, attendance, thrift and allied subjects. Charts have been prepared on which the records will be entered.

After a short intermission, featured by refreshments, songs and games, announcement was made of a new plan of action on "What We Need." This included the making of an exhibition of knots, a model camp and special bulletin boards.

Volunteer buglers were called for, and Robert Burns and Keith Parks were appointed to the positions.

The meeting was attended by five parents of the boys.

BIG MEETING JANUARY 23

The Friendship League of Young People's Societies of Narberth will hold their first devotional meeting of the year Sunday evening, January 23, at 6.30 promptly at the Baptist Church. All are cordially invited.

The speaker of the evening will be Rev. R. E. Keighton, pastor of the Baptist Church of Narberth.

ARDMORE HEAD RESIGNS

John S. Wilson, whose resignation as president of the Ardmore National Bank and Trust Company, announced this week, became effective as of January 1. Mr. Wilson was replaced on the board by L. Richard Kinnard, of Wynnewood.

HOLY NAME SOCIETY ELECTS OFFICERS

St. Margaret's Men Prepare Plans for New Year.

The annual meeting of St. Margaret's Holy Name Society was held on Monday evening, January 10, in the Parish Hall and the following officers elected to serve for the ensuing year: Henry P. Carr, president; Joseph F. Dougherty, vice president; David Lanahan, secretary, and Michael Collins, treasurer. The delegates chosen to represent the local society at the Archdiocesan meetings were Michael F. Haughey, Frederick A. Lanahan and Samuel H. McCartan. The alternate delegates elected were Thomas C. Blake, John J. Hatton and Frank Keegan.

Plans were also made at the meeting to assure a large representation of St. Margaret's men at the annual banquet of the Holy Name Societies in the Philadelphia District which will be held at the Elks' Home on January 19. It was stated 50 reservations had been set aside for the Narberth delegation and Mr. Haughey, the chairman in charge of the Main Line district, declared he had made special arrangements to assure accommodations for a limited number of last-minute appointments.

The meeting also gave approval to the plan of securing a society banner, to be displayed on Communion Sundays and also in public processions.

Previous to the business meeting in the hall, the members assembled in the church for the devotional exercises which are an essential part of the society's activities, and all those in attendance formally renewed, as is customary in January of each year, their allegiance to the precepts and practices which govern the Holy Name organization. Such obligations include, the officers of the society point out, a purpose to bring the leaven of practical religion into everyday affairs, and in particular, by the force of exemplary example and inspiring influence, to checkmate the spread of blasphemy and the disregard of sacred things.

The local society is a branch of a worldwide organization which had its beginning in the thirteenth century. The membership in the Philadelphia district is said to exceed a quarter million men.

NEW HOSPITAL HEAD

The resignation of Miss Katherine Brown from her post as superintendent of the Bryn Mawr Hospital has recently been announced.

Miss Brown has filled this position for the past four and a half years, and for some time has been in ill health.

Dr. John N. Snoko, assistant director of Johns Hopkins Hospital, Baltimore, will come to Bryn Mawr next month to fill the vacancy caused by Miss Brown's resignation.

ELECTIONS HELD IN LANTWYN LANE

Civic Spirit of Street Is Shown by Monthly Meetings.

WOULD ERECT GATES

The Lantwyn Lane Association, one of the most active of Narberth's sectional civic groups, held its annual election and installation of officers at its monthly meeting last Wednesday. The gathering was at the home of George R. Morhard.

The following officers were elected and installed:

W. R. Knauer was re-elected president.

George H. Fortenbacher was re-elected treasurer.

Mr. Bloom was elected secretary. W. M. Reeder and Walter C. Nash were elected vice presidents.

A vote of thanks was extended to the officers of 1926 for the manner in which they served the association which was manifested by the unanimous election of Mr. Knauer and Mr. Fortenbacher.

There was a very hot contest for the position of secretary, the candidates being Mr. George Morhard to succeed himself and Mr. Bloom. Mr. Morhard lost out by two votes. Mr. Bloom's election was due largely to the efficient manner and eloquent persuasiveness of Mr. Black his campaign manager, who delivered a wonderful nomination speech.

Narberth is to be congratulated on having as one of its residents a man of such sterling qualities as Mr. Black, he has the eloquence of Stites, and the political ability of Bryan and Lantwyn Lane looks forward to the next election for councilmen and perhaps the office of burgess. Who can tell? However, enough of Mr. Black for this issue. More will follow.

Many interesting subjects pertaining to the beautification of the lane were discussed and a committee authorized to get bids on installing ornamental iron gates for the Meeting House lane end as per plans and specifications by that master of iron work, Mr. Samuel Yellin, also bids for resurfacing the lane.

The meeting was exceptionally well attended considering the weather conditions and there were 11 members present.

A discussion was held on the topics of the day and the association endorsed the policy of the Daily News for five-cents fare in Philadelphia.

The next meeting of the association will be held in the home of Mr. Walter Nash on February 2.

BIBLE CLASS MAKES PLANS

The H. C. Gara Bible Class of Narberth Presbyterian Church has several social treats in preparation that should help break the monotony of the winter months.

The first of these is to be a father and son dinner and entertainment of unusual merit. Osborn Graver will be in charge. More details will be given out at the class meeting Sunday.

At the class meeting Sunday the 16th, the new reader's stand recently received by the class will be dedicated, after that will come the usual study and class discussion.

Topic: Why Study the Bible? Come out early and get acquainted. Visitors welcome.

Annual Report of Needlework Guild Shows Value of Its Work

An all-day meeting of the Narberth branch of the Needlework Guild of America will be held next Wednesday at the home of Mrs. A. Perry Redifer, No. 4 Shirley road, Narberth. The meeting will begin at 10 A. M.

This is the second of these all-day meetings, by means of which the organization hopes to increase its local membership and perform greater service this year. A special invitation is extended to new residents to attend this and future meetings.

Those attending are requested to bring a box-lunch. Coffee will be served. Any one interested in

DEBATE TRY-OUTS TO BE HELD TODAY

Lower Merion High Will Pick Orators for National Contest.

GRID BANQUET JAN. 21

Final try-outs are being held this morning in the Senior High School auditorium at Ardmore for the team which will represent Lower Merion High in the annual national inter-scholastic debating contest. The debating team which is chosen from members of the Forum Club this year is captained by Walton Forstall, Jr., of Rosemont, the only candidate so far who is certain of a position on the team.

Debating has been fostered at the high school during the fall and winter season by the English Department. Preliminary eliminations have already been held. Students who will take part in the finals today are: Francis Shoemaker, Hope Burlingame, Marion Conley, Mina Lyle, Charles Pennypacker and James Lockwood.

The first interscholastic debate will be held on Friday, January 21, in the Senior High School Auditorium, with Cheltenham High School. The question for debate will be, "Resolved that the Convention should be substituted for the Direct Primary in Pennsylvania."

Better systemization of the cafeteria service was discussed by the student leaders this week, and various improvements were suggested. Up to date, the cafeteria workers have met the student body with both service and speed.

The Forum Club is under the supervision of Miss Dorothy Holland and plans to meet Upper Darby and Abington High Schools in the near future.

The afternoon, at 2 o'clock sharp, the Senior High School will be entertained by the Haverford College Glee Club in the High School Auditorium. No admission will be charged and a cordial invitation is extended to all those wishing to attend.

The date and orchestra for the dance given by the class of 1927 was announced in Student Council last Monday morning by a representative of the Senior Dance Committee.

JUNIORS MAKE PLANS

Plans for several coming events of interest were discussed by the juniors of the Women's Community Club at their meeting Thursday night. The gathering was held at the Essex avenue home of Miss Mabel Kirkpatrick.

A card party has been announced for February 3. The place will be chosen and announced later.

The senior members will be the hostesses on January 27 when a card party in honor of the juniors will be held at the Brynwood Manor Inn. The inn will also be the scene of a dance on February 18. The charge has been fixed at \$2 per couple.

At the meeting Thursday night the members heard an interesting and informative talk by Mrs. E. C. Batchelor, former president of the Community Club and a member of the School Board on Foreign Relations.

A cake sale will shortly be held, to be announced by posters.

COUNCIL SETS 1927 TAX RATE AT 24 MILLS, SAME AS LAST YEAR'S

NOT SO HOT, SAYS HE
The temperature ranged from 42 to 10 degrees last week, according to the weather report given by the Main Line Co-operative Observer, in Narberth. Although this is an excess of 36 degrees over the same time last year, it shows a temperature deficiency since January 1 of 11 degrees, all days of which have been cold ones.

The barometer for the week was high at 30.35, and low at 29.45. Precipitation was .09 of an inch, making the total fall of snow and rain since January 1, .16 of an inch.

TEA ROOM CLOSING ORDER IS WITHDRAWN

Flagstone Not in Violation of Zoning Ordinance.

The Flagstone Tea Room, at 714 Montgomery avenue, has received the stamp of official approval, it was announced this week by Burgess Frye and members of Council.

At its December meeting, Council ruled that the recently opened place was in violation of the zoning law, and the Burgess was ordered to close the tea room. The basis for this action was the definition of the place as a "restaurant," forbidden by the zoning law in a residential section.

On the other hand, next door, stood the recently opened Brynwood Manor Inn, with a dining room and grille, apparently the same sort of place. But, according to the zoning act, the Inn was a "tenement," whose primary function was the accommodation of guests.

Further search into the intricacies of the fine line dividing the two enterprises showed that the Flagstone was also open for the accommodation of apartment dwellers and rooms—and therefore could be classed as a residential building. As such the closing order was withdrawn.

News of the Borough's decision came as a welcome relief to the managers of the Flagstone, Mrs. Charlotte Taylor and Mrs. Nancy Glenhill. The tea room had been opened in November, and was just becoming known when the closing order became known.

Strangely enough, the first intimation of the danger hanging over their enterprise was received by the managers through the columns of "Our Town," as part of the report of the December Council meeting.

The house, owned by Col. H. T. Hatch, has been attractively fitted out and decorated. The tea room has enjoyed a growing patronage, partially retarded by the news of the closing order, which gave some the impression that the new business has been short lived.

DRIVE UNDER WAY

Response to Fire Company Appeal Falls Short of Hopes.

The response to the appeal of the Narberth Fire Company that 1000 members be enrolled by the end of January has so far not produced the results hoped for. Five hundred and twenty-eight members are now enrolled, but many of these are not new, and there are still 472 needed.

A house-to-house canvass will be started next week in order to stimulate the drive. A thermometer has been set up on Haverford avenue at Forrest, and on it the results are being noted.

"The community is thawing out, but very slowly," said Fred C. Patten, director of the drive this week. "We are starting the house-to-house canvass in an effort to show the people personally the duty which they should fulfill."

A number of subscriptions have been received through the three drug stores, and others have been sent in to the company.

Membership is \$3 a year, and a check to the fire company will result in the adding of any citizen to the membership rolls.

MISSIONARY MEETING

The Woman's Missionary Society of Holy Trinity Lutheran Church will meet at the home of Mrs. Shindle, 125 Elmwood avenue, Tuesday, January 18, at 2 P. M.

Budget Calls for Spending of \$87,710 During the Current Year.

TO RENT LEGION ROOM

A 24mill tax rate, the same as last year, was established Monday night by Borough Council in its January meeting. This will create a revenue of \$87,710.00, the estimated budget for 1927.

Passage of the ordinances covering the budget and tax rate were made unanimously upon third reading, and the Burgess signed the bills at once.

As in the past, the biggest item of expenditure for the year will be under the head of the Highways and Sewers Committee, of which Robert Fellows Wood is chairman. The round sum of \$35,000 is estimated by this committee as the minimum which will be needed to carry on its work.

These duties include the repair and relaying of streets, street cleaning, bridges and ash collection. The great increase in the mileage of improved streets has brought costs of maintenance to a high point.

About one-sixth of the total is to be used for the payment of interest and sinking fund charges on the Borough's outstanding bond issues. The largest and most recent of these is the street improvement issue of \$75,000, on which interest and sinking fund costs total \$6445.00.

Salary increases were provided for two officials. Borough Solicitor Fletcher W. Stites had his annual pay advanced from \$75 to \$100. The salary of George B. Suplee as Street Commissioner and Building Inspector was advanced from \$2700 to \$3000 per year.

Police protection will cost \$500 more—fire protection, \$500 less, according to the budget. The total increase of the budget over last year is about \$4500, which, due to increased assessed values, CONTINUED ON THE SECOND PAGE

WOMEN WILL HEAR ABOUT EASTERN EUROPE TUESDAY

Interesting Program Promised. Women's Club Federation Meets Thursday.

The Women's Community Club is offering a very attractive program at its meeting in Elm Hall, at 2.30 P. M. Tuesday, January 18. Mr. and Mrs. Timbres, of Baltimore, who spent two years with the Friends' Relief in Eastern Europe, are giving an afternoon of peasant dances, songs and fairy tales in costume.

These songs and stories are reproduced just as they are heard in the peasant homes, where they have been handed down from generation to generation, no one knows how long. Those who have heard Mr. and Mrs. Timbres are most enthusiastic.

Every member is urged to come and bring her friends to share this unusual opportunity.

The Montgomery Federation of Women's Clubs meets with the Glenside Club on Thursday, January 20. The Narberth delegation is going by automobile, leaving the station at 9.30 A. M. All wishing to join the group should notify Mrs. Farmer.

All notices for the February calendar should be in Mrs. Drew's hands by January 21.

TALKS AT ROTARY

Reverend George Burns, of Overbrook, talked on the subject of Constitution and By-Laws at the weekly luncheon of the Bala-Cynwyd-Narberth Rotary Club Tuesday. He stressed the fact that these should be regarded as the means to an end and not the achievement itself.

Among the guests of the club were A. Wesley Long, member of the Ardmore Rotary Club and Ralph S. Dunne, coal dealer and George Gilpin, professional entertainer, both of Narberth. The meeting as usual was at the Cynwyd Club.

Words of Praise.

Narberth, Pa., January 10, 1927.
Mr. Charles V. Noel, Chief,
The Narberth Fire Company,
Narberth, Pa.

Dear Sir:

We desire to advise you of our appreciation for the very prompt response to our call for fire service on January 1, at 3 P. M., when we had a minor fire in our kitchen at Brynwood Manor Inn.

We feel it our duty to comment upon the efficient service of your company, the capable and businesslike manner in which your men went about the task of locating the fire, doing no more damage than was necessary to locate and extinguish it. It makes us feel that the protection of the Narberth Fire Company is worth while, and that you have a real firefighting outfit.

While the fire was slight, it might have been an expensive matter for us to repair the damage caused by the men looking for it, had they been less efficient and careful. In many cases the damage caused by firemen in endeavoring to extinguish a fire is far greater than that done by the fire itself.

We are so well pleased with the gentlemanly behavior of the fire company's personnel that we deem it a pleasure to have one of our representatives become a member of the company. Enclosed you will find our check and application for membership.

Also, on behalf of the inn, we wish to invite the active members to hold their next meeting in our grill room and to have the pleasure of serving them with light refreshments at that time.

Please advise us whether you can accept our invitation, and if so state the date and hour of the next meeting and approximately how many will attend.

Yours very truly,

tion, will not require a higher tax rate.

Substantial building progress in the Borough was noted in the annual report of the Building Committee. Ninety-seven permits were issued for a total construction cost of \$318,109.00. The building inspector made 820 inspections in 1926, during the course of this building.

Requests were received by Council from the recently created Property Committee and from the Recreation Board, asking for a definition of the duties of each of these bodies, so as to avoid duplication of effort and authority. Due to the pressure of other business, this was deferred until the next meeting. In the meantime plans for the more general use of the Community Building were offered by the Property Committee, and are printed elsewhere in this issue as part of the report of that committee.

Narberth has 1194 houses. This fact was determined last month by the Highway Committee, as a result of a survey, and forms a part of their brief but interesting report.

Narberth was a model town in December, it appears. The Police and Fire Committee reported that no arrests had been made during that time.

The reports of two of the committees follow:

Report of Highway Committee.

We submit herewith and ask that it be considered a part of this report, the Street Commissioner's summary of the work done by the borough laborers during the year 1926.

During the past month, principally for our own information, we made a survey of the total number of houses in the borough and ascertained that there were, as of December 21, 1926, a total of 1194 buildings, principally residences, in the borough.

We recommend that if the 1927 budget should pass final reading at this meeting and should include the appropriation for the Highway Department, as originally included in that budget, this committee be authorized to advertise immediately for bids to furnish the borough with motor truck chassis with such accessories and appliances as shall adapt it to perform

the work of the Highway Department at a cost not to exceed the item therefore contained in our budget report previously rendered.

During the past month the Street Commissioner and the borough laborers collected 1302 cubic yards of ashes at a total cost of \$1052.60; cleaned the streets at a cost of \$187.60; cleared away the snow, principally from Haverford avenue at a cost of \$51.48, and opened up and removed obstructions from the storm sewer on Wynndale avenue at a cost of \$17.64. These and incidental expenses made up the month's total of \$1340.

Since its creation at the December meeting of Council, this committee has held three meetings and has notified each of the permanent occupants of the community building and also the president of the recreation board that by virtue of the resolution establishing it, this committee would assume the responsibility for the operation and maintenance of all borough buildings. At the first meeting, on December 22, Mr. George B. Suplee was appointed custodian of borough buildings and instructed to hold himself responsible, under this committee, for their maintenance, upkeep and general operation.

The first meeting was attended by Mr. C. Howard McCarter, president of the recreation board, who kindly explained to the members of the committee the policies with reference to the community building which had been followed by the recreation board since that building was turned over to them for the borough by the Y. M. C. A. trustees on May 1, 1926.

Recognizing that there exists in the borough a public demand for the more frequent use of the community building on a rental basis than has heretofore been permitted and recognizing that the wishes of the taxpayers in this connection should be given careful attention since it is their money that supports and maintains that building, the members of this committee on the evening of January 3 met members of the Harold D. Speakman Post of the American Legion and also members of their Women's Auxiliary to ascertain whether it would be possible, in harmony with the desires of the donors of the building, to formulate a policy by which that building, or a part of it, might be made available for more frequent and wider public use, by residents of Narberth only, on a rental basis that would fairly cover whatever extra costs of operation and maintenance such a policy might entail.

On the following evening the committee met the captain of the Girl Scouts to continue the discussion of the same subject. It is expected that these three organizations will confer on the matter in the near future, reporting their wishes and suggestions to this committee which, in turn, hopes to be able to make definite recommendations on this subject at the February meeting of Council.

Pending the formulation of a wider and more permanent policy this committee has instructed the custodian, Mr. Suplee, that the following schedule of rentals shall apply if and when the American Legion room in the community building is rented: \$5 for one-half day, morning or afternoon; \$3 for a whole day, until 6 o'clock P. M.; \$6 for an evening; \$14 for all day and evening; \$1 additional for each use of the kitchen.

This committee recommends that it be authorized to place \$2500 insurance on the borough storage building, which is of fireproof construction and is valued at \$5000.

mittet. Saturday evening, February 26, will be the occasion of the biggest social event in the scholastic year. One of the features of the dance will be the opening of the new gym, built in the west wing, which is to be completed by that date. Mike Fisch and his varsity orchestra will entertain the seniors on that night.

The annual football dinner will be held Saturday evening, January 27, in the new cafeteria at the Senior High School.

Plans have been made for one hundred guests, fifty of them being the entire football squad, coaches and managers and the remainder being composed of special guests. Fifteen of these will be the fathers of Senior players. The school board, guests of the school and newspaper men are to complete the list. Before the dinner the captain for the coming season is always elected.

Basketball is replete with upsets for Lower Merion High this season. The team has been in the show end of things in the four contests played thus far this season.

Norristown trounced the Maroon and White quintet Saturday evening at Norristown by a 31-22 score. The game was full of the usual thrills that accompany a Norristown game.

During the second half the Maroon and White courtmen outshone the Blue and White passers by a 11 to 9 advantage. It must be remembered that Lower Merion started the season with little or no experience and that an entirely new combination had to be formed to meet scholastic rivals.

Southern administered the worst whipping received this season when it chalked up a 24-8 score against L. M. H. S. last Tuesday afternoon at Philadelphia. Captain Barclay played an exceptional game, scoring all of Lower Merion's points.

During the past fire season airplanes were used over the Far Western forests for patrol when the atmosphere was too dense for effective observation, and for reconnaissance of large fires.

The Fireside

The robins are due to return in six weeks, and two months from Monday is the official sweet-pea planting day. Let that cheer us when the radiator freezes.

The Lower Merion boys varsity basketball team was defeated by Southern High Tuesday afternoon by a score of 24-8. The girls defeated Berwyn Thursday.

Miss Betty Jefferis, of Newton, Kans., is the guest of her cousin, Miss Evelyn Jefferis, of Forest avenue.

Mr. Charles H. Smith, who has been visiting his son, Mr. Charles H. Smith, Jr., has returned to his home at Cape May, N. J.

The Misses Helen and Katharine Newborg gave a dance at their home last Saturday evening.

Mr. Edward Peters, of Woodbine avenue, has been confined to his home due to illness.

Mrs. L. B. Edgerton, of Chestnut avenue, entertained at bridge Thursday afternoon. Her guests were Mrs. G. B. Michener, Mrs. John A. Caldwell, Mrs. George W. Martin, Mrs. Ralph D. MacGuffin, Mrs. Mary M. Livingston, Mrs. C. C. Tyson, Miss Brown, Mrs. Allan Kirk, Mrs. Eberhardt Mueller, Mrs. L. H. Trotter, Mrs. C. A. Peeney, Mrs. Stanley Staigh, Mrs. Lewis Sheneman, Mrs. Arthur W. Burns and Mrs. W. A. Kelley.

Mrs. Vernon Fleck entertained a number of friends Thursday afternoon at her new home on Montgomery avenue.

Mr. and Mrs. C. W. Sunderland, Miss Martha Sunderland and Mr. Francis Sunderland returned recently to their home on Hampden avenue after spending a week or so in Altoona, Pa.

The decided drop in temperature the past week brought out crowds of young and old on the ponds and lakes in the community. Last Saturday afternoon hundreds enjoyed the sport on the Haverford College pond. Among those noted by "Our Town's" eagle-eyed society editor were: Dorothy Speck, Betty McDowell, John McGowan, Powell Siter, Ruth Lee Cook, James Smith, Charles Rudrauff, George Maguire, Mary Anderson, Shirley Glenn, George Torchiana, Matthew Callahan, William Torchiana, Kitty O'Rourke, Josephine Williams, Kitty Morgan, Charles Pennypacker, Jr., Vernon Lipkin, Edith Maguire, Alice Maguire, Katherine Jane Miller, Helen Caldwell, Jack Miller, Jack Carey, Sam Willard, Jack O'Feefe, Helen Caldwell, Ruth Ruddick, Gladys Ruddick, Anne Bucklev, Virginia Smith, William Dothard, Bob Whiteman, Arthur Le Gar, Louise Jones, Marion Bottoms, Esther Siter, Peter Eidenburg, Grace Adams, Jeanne Adams, Jack Faries, Janet McDowell, Helen Staley, Elizabeth Terry, Arthur Bailey, Evelyn Jefferis, Helen Biess, Al Odiorne, Dick Odiorne, Ruth Hopkins, Kathrine Smith, George Watts, Samue Willard, Helga Wohler and Betty Purse.

TWO ARRESTS

Two arrests were made this week by the Narberth police. Emil Pinnet arrested August Welsh for driving on 1926 tags Monday and Magistrate Fred Walzer assessed the offender \$10 and costs.

A fine of \$5 was exacted by the same magistrate from George Davis, arrested Saturday night by Officer Kelley, and accused of drunkenness. Davis apparently had been joining in the celebrations of the group of Narberth youths frequently before the law for such matters.

M. E. W. H. M. S. ITEMS

Mrs. Seymour Eaton, field secretary of the Women's Home Missionary Society, will speak in the Methodist Episcopal Church, Sunday the 16th, at 11 A. M.

The society will hold a luncheon in the church on Thursday, the 20th, at 12.30. All are invited.

The regular monthly business meeting of the society will be held Thursday, the 20th, at 8 P. M., at the home of Mrs. C. M. McCracken, 106 Merion avenue.

HELD FOR COURT

Paul V. O'Dell, of Narberth, was held under \$500 bail for Court when arraigned before Magistrate William R. Emerick, in Oakmont, last week on a charge of operating his car when he was under the influence of liquor.

Sergeant Eaton and Officer Smith, when enroute to the Bryn Mawr Hospital with a motor accident victim early Saturday morning, noticed a traffic congestion at the intersection of Ardmore avenue and Coopertown road, Coopertown, and discovered a coupe hanging over the embankment at this point. They succeeded in extricating O'Dell, who it is alleged was the driver of the car and also his companion, Bernard Cannon, of Haverford road, Bryn Mawr, and upon examination suspected them of having been recently under the influence of intoxicants.

They were subsequently examined by Dr. Charles Shultz, of Brookline, who pronounced both of them as partially drunk. Cannon was fined \$8.50 by Magistrate Emerick, and O'Dell was held for Court.

O'Dell, when arraigned on this charge, and confronted with the physician's diagnosis of his condition, attempted various explanations in an effort at exonerating himself of the intoxicant charge.

Magistrate Emerick was inclined to place the burden upon the Court to determine the status of this contention, and he held O'Dell for the next term of Court.

FOUR BUCKET LOADERS
MEAN CLEAN COAL

In front of each bin—a Sentinel—stands a bucket loader.

Each truck that wants a load of coal must first apply to Bucket Loader.

Bucket Loader says "Sure"—then starts a-go-in' and zip!—how quickly the truck is loaded—by this electric method!

A clean method, too, for that is the best part of Bucket Loader. Each bucket with its dipper of coal travels high up to a screen at the top of Bucket Loader, from where the coal slides into the truck—perfectly clean.

Judge the Home Merchants

Not only by what they have done in the past, but by what they can do for you now, and what, with your co-operation, they will be able to do for you in the future.

BECAUSE of a larger trade caused by a growing community, local merchants now can give you service at prices that compare favorably with the best. MISSED GOAL PUTS VICTOR IN DOUBT

Cynwyd Claims It Won 31-30; Narberth Says It Lost, 29-30.

AGREE GAME WAS HELD

Just who won the Main Line League basketball game between the Cynwyd Presbyterians and the Narberth Presbyterians played Saturday night in the gymnasium of the Cynwyd school is uncertain. It all hinges on a field goal made by Paul Scull, Penn football luminary.

Cynwyd declares emphatically that the field goal was made and that the score is hence 31-30 in its favor. The scorer for Narberth on the other hand claims that the double decker in question was not caged. At any rate he failed to record it and that the Narberth quintet bases its contention that it won by a score of 30 to 29. The League Board at the Ardmore Y. M. C. A. will probably be called upon to decide who, if anyone, really did win the game.

About the only thing which was admitted by both sides in the controversy anent the score which followed the contest was that the game really was played. That point could not be well disputed as the tilt was one memorable scrap.

Nip and tuck from the start, the game at the end of the first half found Narberth leading by a 14-10 tally. With four minutes to play the Narberth were still ahead by a 30-20 count. Then a field goal by McFadden, a double decker by Scull (which the Narberth score keeper failed to see), a field goal by Drumm, a foul point by McFadden, another two-pointer by Scull and final field goal by MacPherson followed in quick succession and put Cynwyd in the lead. Before Narberth had a chance to come back the fray ended.

Paul Scull with five field goals and Tubby Fort with four, lead the scoring of the Cynwyd Covenanters. McAuffie and Dick Gililan with four two-pointers apiece, lead Narberth.

GIRL SCOUT NEWS

Conducted by Mrs. Victor I. Zelov

Gladwyne Troop, No. 99, Miss Ellen Harrison, of Villa Nova, captain; Miss Evelyn Martin, lieutenant, gave a play Tuesday evening at the Fairview Union Sunday school for the benefit of their camp fund. It was a fairy story, "The Blue Prince," in two acts, with a prologue and an epilogue. The scouts covered themselves with glory in a new field, playing to a packed house composed of the Main Line Committee, parents and friends of the troop. The characters were taken as follows: Billy, afterword the Blue Prince, Mary Hersley; Princess Rose, Alice Mann; Katy, a maid, Katherine Smith; James, a footman, Henrietta Denbier; Necessity, an old witch, Hedwig Mann. Attendant Fays—Courage, Dorothy Heed; Unselfishness, Elizabeth Seasholtz. Dancing a ballet—Gaiety, Emily Mann; Laughter, Frances Newberg.

After the play the younger girls gave a little entertainment. Pearl Bingham recited "In Wintertime" and Mary McAllister recited "The Elf Child." Two of the scouts acted as ushers, Rachel Miller and Barbara Auld.

The "Old Girls' Club," now forming, promises to meet a long-felt need. Girls 15 years and older who are second or first class scouts are eligible. The next meeting will be held January 14 from 5 to 7 at the Narberth Scout House. Each girl will bring her supper, which will be enjoyed in scout fashion. Meeting once a month with "Old Girls" from other troops, they will learn the fundamentals of troop management and learn new songs and games in order to be of valuable assistance to their captains. They will also be their troop's representative in the "Old Girls' Club," bringing its viewpoint on special matters and will serve as the Grand Court of Honor of District No. 8.

The jun'or Bryn Mawr troop, Miss Helene Coogan, lieutenant, meets Saturday mornings 9 to 10 at the scout hut on Memorial House grounds and reports an enthusiastic scout spirit. The following girls are working for the tenderfoot badge: Eva K. Brook, Helen Miller, Helen Young, Jean Whately, May Wiley, Dorothy Sload, Leah Fritz, Arline McGory, Roseline Hack, Ethel Hendricks and Dorothy Chestney. Those working for second class badges are: Louisa Wurst, Helen Engle and Alice Coogan.

The Haverford Brownie Pack, Miss Julia Williamson, Brown Owl, gave a unique little Christmas party to the birds of the Haverford Friends' School where they have their meetings each week. A tree on the lawn was chosen. Suet tied in gauze bags, squares of bread and festoons of cranberries were then hung on the tree, around which the Brownies danced and sang Christmas carols. Their feathered friends seemed to enjoy every minute of it and so did the Brownies.

Buick Ahead Again in the Yellowstone!

Again in 1926, more Buicks toured through Yellowstone Park than any other car except the one of lowest price.

Buick has held this same honor every year since the Park was opened to automobile travel.

This year there were 4,756 Buicks in a total of 44,472 cars registered. 101 different makes were represented in the registrations. One in every ten was a Buick.

Here is convincing evidence of Buick reliability—striking proof of the faith which Buick owners repose in their car.

They know Buick will take them and bring them back comfortably, safely and splendidly—across the Continent—or around the World.

ARDMORE NATIONAL PRESIDENT RESIGNS

John S. Wilson Withdraws
After Four Years in
Office.

MAY HEAD NEW BANK

John S. Wilson has resigned as president of the Ardmore National Bank and Trust Company. His resignation was made as of January 1 but did not become public until this week in Ardmore. Mr. Wilson's resignation means complete severance of his connections with the Ardmore National in an official capacity for in addition to withdrawing as president he has also gone out as a member of the bank's board of directors. L. Richard Kinnard, of Wynnewood, son of the president of the Bell Telephone Company, was elected Wednesday at the annual meeting of the stockholders to replace Mr. Wilson on the board.

Following Mr. Wilson's resignation reports became current that he was to become the head of the new Main Line Title and Trust Company which is in the process of organization and which is to be located in a building now under construction at the corner of Anderson and Montgomery avenues in Ardmore. It was declared that an offer from this organization was among the three received by Mr. Wilson as soon as news of his resignation became known.

Comments on Rumor.

Commenting on this rumor yesterday, Mr. Wilson said: "It may be possible that I shall become connected with that institution or some other, but I have nothing to report now. My resignation was made because of the personal interest which I wish to devote to real estate and other matters."

Mr. Wilson has been connected with the Ardmore National for 10 years and president for the past four.

At the election held yesterday the selection of a new president was deferred and the present officers were re-elected.

These included William J. Serril, first vice president; William P. Landis, second vice president; Harry T. Leedom, cashier; Edward J. Buckley, assistant cashier.

No comment on the resignation was forthcoming from the officials of the Ardmore National.

Inquiries among these officials also failed to reveal that agreement had been reached on a successor to Mr. Wilson. Such a candidate should have been known in order to be available for selection at the annual election of the bank's board of directors held last night.

In addition to electing Mr. Kinnard to the director's post made vacant by Mr. Wilson, the stockholders at their annual meeting on Wednesday decided to enlarge the board of directors from 14 to 15 members. Granville Worrell, 2d, of Ardmore, was chosen for the new place. All other old directors were re-elected.

FEDERAL ROADS INCREASE

A net addition of 9417 miles to the mileage of improved roads in the Federal-aid system was made through the completion of projects during the fiscal year 1926, according to the Bureau of Public Roads of the United States Department of Agriculture. This brings the total of improved Federal-aid roads up to 55,902 miles. The improvement of several transcontinental routes is approaching completion. The entire Federal-aid system has an aggregate length of 182,134 miles.

TWELVE WORLD HEROES

Displayed in Calendar at Community Library.

Calendars are rather numerous and conspicuous objects at the library where they need to be consulted frequently in computation of the heavy financing required by the principle of "10 cents a week and two cents a library day." However, one was received there this week of such unusual distinction as to merit special attention. It is the "Calendar of the World Heroes" prepared by Arthur C. Walkins and printed at the press of Norman C. Munder whose work is always of an artistic order.

This calendar is the result of a competition instituted by Clement M. Biddle, of New York, and is made up of the 12 heroic figures which were chosen by students from schools in more than 30 countries. There is one portrait to a panel and accompanying each portrait is the brief essay that won the prize in last year's competition.

The calendar now displaying the month of January carries the portrait of Louis Pasteur whom the essayist credits in quotation of "saving more lives than Napoleon took in all his wars." Every one who insists on pasteurized milk attests the wisdom of this selection of Pasteur as a world hero.

The calendar hangs on a wall in the children's department near the entrance to the library and may be examined at any time for the purpose of confirming the selections made by the students.

"Build a Home First"

There are many reasons why you should
do this. The good old U. S. A. was
founded by lovers of "Home." It means
stability of government, adds to our
resources, creates the real home-life
atmosphere, provides the proper en-
vironment for our children—the future
citizens; and all in all makes life more
worth while.

If you will call at our office, at
your convenience, it will be a
pleasure to assist you in making
a selection of plans.
